Welcome to our chocolate café!

Chocafé is a unique chocolate café established in 2014. We felt the lack of high quality chocolate served as a fondue in the Czech market, hence we found the right one in Belgium and were ready to launch. Nowadays Chocafé is amongst popular cafés in Prague. Not only our regular customers like to come back, but thanks to our grand rating and reviews many tourists search for our café as well.

Essential of our offer is pure Belgian Chocolate served in two ways. It can be either 40°C hot smooth Fondue Chocolate in which you may dip your favourite titbits. You can also have it poured over a freshly baked crispy waffle. The second way could be Hot Chocolate to Drink, we have a wide selection from white up to extra dark. During the summertime, we also offer Iced Belgian Chocolate.

From the chocolate we make artisan chocolate bars, pralines, cups etc. Apart from these, we offer a wide range of coffee, cold and hot drinks, freshly baked waffles, cakes and many more. Everything is freshly prepared from high quality ingredients.

Let go of all the stress from the outside world and allow yourself to be carried away by the fragrance of chocolate and the cosy atmosphere of our café.

Yours Truly,
Chocafé
